

Cross-Connections We All Should be Making In Our Communities

Water Resources Education Center
AWWA – 5/2/19 Early Bird Session – Pine Room

Welcome Early Birds!

Hoping you find something worth taking back to your nest!

We are a Team

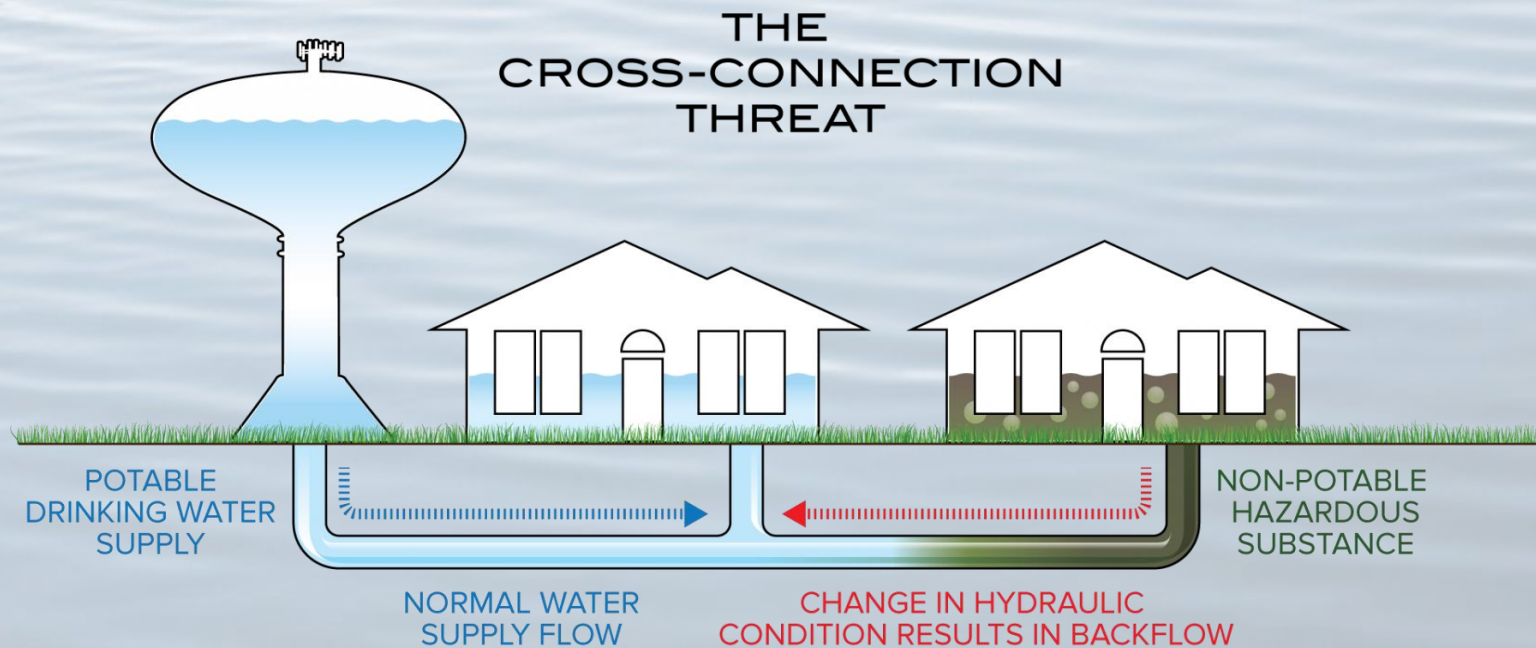

Our Mission:

To teach people of all ages how to care for and make wise decisions about water; one of our greatest life-giving resources.

What a Strange Title for a Session!

More Connections = Strong Community

Growing a Network

Look for the Partners

A young boy with dark hair is looking down at a small amount of soil held in his open palm. A woman with blonde hair tied back is leaning in from the right, also looking at the soil. They are outdoors in a natural setting with green plants and a blurred background. The text is overlaid on the top half of the image.
